SUMMER READING 2015!

Get a head start on your reading log! Choose the program that works best for you, start reading, and start filling in those boxes or bubbles! Don't forget to officially register for Summer Reading when you come to the Library so we can log your Book Bucks!

Are you reading with a buddy? Every time you listen to a book or a chapter, put a check mark in a box.

When you have checked off 5 boxes, you've earned 1 Book Buck!

You can listen to the same story again and again, just a box each time you hear it! You can listen to books from the Library or books from home! Bring this sheet to the Library to spend your Bucks!

Reading on your own?

Fill in a bubble for each hour you spend reading. 1 hour = 1 Book Buck to spend in our store.

Bring your tracker whenever you come to the library and spend your Book Bucks on awesome prizes!

You can also earn Book Bucks by completing math worksheets and journaling.

One math worksheet = 1 Book Buck, one journal page = 1 Book Buck!
