

***The Five: the Untold Lives of the Women Killed by Jack the Ripper***

**Hallie Rubenhold NEW 362.88 R**

For more than a century, newspapers have been keen to tell us that "the Ripper" preyed on prostitutes. Not only is this untrue, as historian Hallie Rubenhold has discovered, it has prevented the real stories of these fascinating women from being told. In this narrative of five lives, Rubenhold finally sets the record straight, revealing a world not just of Dickens and Queen Victoria, but of poverty, homelessness and rampant misogyny. Their common misfortune: they were all born as women.

***Black Edge: Inside Information, Dirty Money, and the Quest to Bring Down the Most Wanted Man on Wall Street***

**Sheelah Kolhatan 364.16 K**

*Black Edge* offers a revelatory look at the gray zone in which so much of Wall Street functions. It's a riveting, true-life legal thriller that takes readers inside the government's pursuit of Cohen and his employees, and raises urgent and troubling questions about the power and wealth of those who sit at the pinnacle of modern Wall Street.

***The Fact of a Body: a Murder and a Memoir***

**Alexandria Morgan 364.1 M**

An intellectual and emotional thriller that is also a different kind of murder mystery, *THE FACT OF A BODY* is a book not only about how the story of one crime was constructed -- but about how we grapple with our own personal histories. Along the way it tackles questions about the nature of forgiveness, and if a single narrative can ever really contain something as definitive as the truth. This groundbreaking, heart-stopping work, ten years in the making, shows how the law is more personal than we would like to believe -- and the truth more complicated, and powerful, than we could ever imagine.

***While Innocents Slept: a Story of Revenge, Murder, and SIDS***

**Adrian Havill 364.1523 H**

A medical thriller that stretches from Maryland to Texas and Florida. Death seemed to be part of Garrett Wilson's life. Both of his parents had died by the time he was in his early twenties. So friends shrugged when sadly, an infant daughter, and then a son, succumbed to Sudden Infant Death Syndrome. Six years later, after he divorced his wife, Missy, and married another woman, his former spouse became convinced that their child's passing was anything but natural.
