How do I find out more information about vaccine distribution in Allegheny County?

- Allegheny County sends alerts through the Allegheny Alerts system. Sign up so you can be on top of the latest vaccine news.

How do I sign up for Allegheny Alerts?

Visit <http://alleghenycounty.us/alerts>

- Sign in if you already have an account OR select Sign Up in blue at the bottom of the white square.
- Create a username and password, input your name, and select a Security Question. Hit the large blue button at the bottom of the screen labeled “Create Your Account”.
- This will take you to a page to select your Time Zone and select how you are notified. The options of notification are: email, text message, phone call, or TTY. Ensure you provide the phone number or email address of your preferred mode of notification.
- Move your preferred mode of notification to Number 1 spot using the small red arrows to the left of the mode of contact. You can select multiple methods of notification and rank them.
- Input your location(s) to be informed of events occurring in your area. You can add multiple locations (for example: home, work, school, family member home, etc.)
- Select the alerts you would like to subscribe to. Each gray bar provides a drop down menu of sub-alerts. If you select the white checkbox on the gray bar, you will subscribe to all sub-alerts in that menu. For example, under “COVID-19 UPDATES” you can choose to subscribe to “Information from Allegheny County” and “COVID-19 Vaccination Information.”
- Once completed, review the information you put into your account to ensure it is accurate.

If you have a smartphone, you can download the mobile app titled “Everbridge” for the alerts as well.
