Getting started with

Your Library Account

With a free library card, view what items you have checked out, request items directly from the catalog, view your past searches, opt in to your reading history, and more! You have access to over 4 million items from 45 libraries here in Allegheny County.

BOOK CART: Adding items to your book cart allows you to save them for later and place multiple requests at one time.

MY LISTS: Create lists of books you'd like to read or recommend to others but don't want to forget.

VIEW & RENEW ITEMS: From your Checked Out Items page you can review due dates and renew items, often even after they are overdue.

VIEW & UPDATE REQUESTS: View, cancel, freeze, or change pick-up location.

READING HISTORY: Opt in to your reading history and let your account keep track of items you've checked out.

SAVE SEARCHES: View items you've searched in the past.

UPDATE PROFILE: View or edit your profile or modify your PIN.

LATEST WEBSITE UPDATES: The ongoing changes are driven by the comments and feedback you submit when completing the new catalog survey.

CATALOG HELP: Searching tips, filtering search results, your account, online content and eResources, and advanced searching tips.

TEXT NOTICES HELP: Text notices is a new service that allows you to get notices and renew items using your cell phone.

PREFERRED LIBRARIES: Specifying Preferred Libraries sets your default pick-up location for items requested online.

Use these steps to borrow and enjoy digital titles from your library on your Kindle Fire, Windows or Mac computer.

NOTE: If you're using a Chromebook or Windows 8 and up, you can use the Libby app to borrow and enjoy digital titles from your library. See the "Getting started with the Libby app" guide for more help.

Step 1

Find your library's digital collection on libbyapp.com.

………

Step 2

Select your library, sign in with your library card and borrow a title. You'll need a valid library card to complete this step.

………

Step 3

Borrowed titles will appear on your **Loans** page on your library's libbyapp website. From here, you can:

- Read or listen to titles right in your browser

- Download eBooks, then read them using free Adobe Digital Editions software or transfer them to supported eReaders

- Download eaudiobooks, then listen by transferring them to supported MP3 players.

- Send Kindle Books (U.S. only) to your Kindle device through the Amazon website. (You'll need to sign into or create an Amazon account to complete this process.)

Getting started with the

Libby App

Libby is the library reading app created by OverDrive. You can use the free Libby app to borrow and enjoy digital titles from your library.

NOTE: The Libby app is available for Android, Chromebook, iOS (iPhone/iPad/iPod touch), Windows 8 and up, and Windows Phone. It is NOT currently available for the Kindle Fire. Libby also has a desktop app for Windows and Mac, which is covered in the "Getting started with Libby on a computer" guide.

Step 1

Install the Libby app from your device's app store. PLEASE NOTE: The Libby app is currently not available to download on the Kindle Fire.

………………………………………………………………………………………………

Step 2

The newly installed app will appear on your home screen. Tap the app to open it. Select your library and sign in with your library card.

………………………………………………………………………………………………

Step 3

Search your library's digital collection in the Libby app.

………………………………………………………………………………………………

Step 4

Borrow a selected title. The title will download to your device.

………………………………………………………………………………………………

Step 5

Borrowed titles will appear on your **Loans** page on your library's digital collection. From here, you can:

• Add titles to your Shelf in the Libby app

• Read or listen to titles right in your browser (without adding them to the app)

For more help, visit help.libbyapp.com

You can borrow eBooks from your library and transfer them to compatible eReaders using free Adobe Digital Editions (ADE) software on your Windows or Mac computer and the libbyapp.com website.

NOTE: If you have a Kindle, please use the "Getting started with Kindle eReaders" guide.

Step 1

Connect your eReader to your computer.

....

Step 2

Install Adobe Digital Editions (ADE) on your computer (get it from adobe.com/products/digital-editions.html).

....

Step 3

On your computer, go to libbyapp.com, select your library, sign in with your library card and borrow an eBook.

....

Step 4

From your **Loans** page, select a download format for your borrowed eBook. For the best experience, we recommend to download **EPUB book.**

Downloaded eBooks open in Adobe Digital Editions (ADE). If prompted, authorize your computer with a free Adobe ID (this is required to download protected eBooks).

....

Step 5

To transfer an eBook to your eReader, drag and drop it from your ADE library into your eReader, which should appear on the left under "Devices."

Once you've transferred a library eBook, you can read it on your device just like any other eBook.

Kindle eReaders

You can borrow Kindle Books from your library and deliver them wirelessly to your Kindle eReader.
If you have a Kindle Fire, please use the "Getting started with the OverDrive app" guide.

NOTE: You will need an Amazon account to borrow Kindle ebooks.

Step 1

Use a computer, tablet, or smartphone to open your library's digital collection at libbyapp.com.

……………………………………………………………………………………………………….

Step 2

On the libbyapp website, select your library, sign in with your library card and use the search filters to find and borrow an eBook that's available in the **Kindle Book** format.

……………………………………………………………………………………………………….

Step 3

From your **Loans** page, select the Kindle book format for your borrowed eBook. You'll be taken to Amazon's website to complete your checkout.

……………………………………………………………………………………………………….

Step 4

On Amazon's website, follow the on-screen prompts to "Get library book" and wirelessly deliver it to your Kindle eReader. You'll need to sign into (or create) an Amazon account to complete this process.

NOTE: Your Kindle eReader must have a Wi-Fi internet connection to download library Kindle Books from Amazon. If you don't have a Wi-Fi connection, you will need to transfer the Kindle Book to your Kindle eReader via USB.

Once you deliver a library Kindle Book to your Kindle eReader, it works like any other Kindle Book.

Download the app to watch or listen on your personal device!   Perfect for the whole family!

1.   Go to your device's app store (Google Play, Apple Store, etc.).

2.   Search for Hoopla and select the download button.

3.   Once the app is finished downloading, it will appear on your device's home screen.

4.   Open the app.

5.   Enter your library card number.

6.   Create an account with an email address and password.

WHAT'S COOL ABOUT HOOPLA?

*   No waiting for your next ebook or eaudiobook!

*   Watch movies and TV shows for adults and kids!

*   Stream exercise videos to your TV!

*   Learn American Sign Language!

*   Read comic books!

*   Watch your favorite BBC shows!

*   Listen to music!

Hoopla on Your Android or Apple TV

Make sure you're already signed up for a Hoopla account before you begin these steps.

Note: The first time you load the app on your Android TV, you will be asked to go to **https://.hoopladigital.com/link** and enter the 4-digit code provided. After entering the code, the hoopla app on your Android TV should be synced to your existing hoopla account. At this point, you will be able to browse and borrow Movie and TV titles from the hoopla library as well as browse and borrow from your "favorites" list. Remaining borrows for the month will be shown in the app.

Step 1

Open the Play store (for an Android TV) or the Apple store (for an Apple TV) from your TV's home screen. Go to "search" and type in "Hoopla." Click to install the app.

………

Step 2

Once the app is installed on your TV, select it from your apps on your home screen.

………

Step 3

The app opens to the home screen. If you already have an account, click to open the next page.

………

Step 4

At the top of the next screen a 4-digit code is displayed. On another device (tablet, smart phone, desktop computer), log into the Hoopla website and visit **https://www.hoopladigital.com/link**.

OR

Step 5

Access the Settings page of your hoopla app and the section labeled "Link TV Device."
Enter the 4-digit code from your TV screen and in a few seconds you are up and running on the hoopla Android TV app.
